**Quotation Expires Stock generator set on order from factory : First Come / First Serve**

## **Bill of Material**

### **Engine**

Caterpillar C7.1 ACERT heavy – duty diesel engine meets tier 4 emission standards

### **Generator and Attachments**

Permanent magnet generator

UL 1446 recognized Class H insulation

12 – lead , 4 – pole, brushless generator (Sealed – for – life bearing)

### **Engine Control System**

Electronic governor

### **Control Panel and Instrumentation**

**EMCP 4.4 Auto-start control panel (Upgraded Controller)**

Emergency stop on panel

Panel mounted voltage adjust potentiometer

Panel mounted audible alarm with mute

Contacts for common fault alarm signal

Contacts for generator set run signal

### **Asset Monitoring and Management**

Cat Connect hardware provides remote equipment monitoring via cellular network

Provides operational status, alarms, and engine and generator set parameters

Flexible and customer – configurable user website

GPS provides asset location and geo - fencing

### **After treatment / Clean Emissions Equipment**

Package – mounted after treatment module consists

Diesel Oxidation catalyst (DOC), Diesel

Particulate Filter (DPF), and Selective catalytic

Reduction (SCR)

Passive regeneration is transparent to operator

No requirement for ash servicing

Service free for life of the engine

DEF tank provides + 24 hours run time

Electrically heated DEF lines

**Quotation Expires Stock generator set on order from factory : First Come / First Serve**

## **Standard Controls and Power Distribution**

Three – position switch for easy selection of desired  
Output voltage (480/277V 3 – phase, 208/120V 3 – phase, or 240/120V 1 – phase)  
Controls, sockets, and power distribution all accessible via rear door access door  
Hinged door over main buss bars with safety switch to trip door

## **Exhaust System**

Internal exhaust system

## **Fuel / Emissions Strategy**

Meets U.S. EPA Tier 4 Final emission standards and CARB certified for non – road mobile  
Applications at all 60 Hz ratings  
Requires Ultra Low Sulfur Diesel (ULSD) fuel

## **Fuel System**

Provides 24 – hour runtime @ 75% prime  
Meets UL 142, ULC 601, and UN31A

## **Ready Design Features**

110% Spill containment of all engine fluids  
Battery charger  
Generator Anti – condensation heater  
Engine Block Heater  
Provides 43°C ambient capacity @ full load

## **Sound – Attenuated Enclosure**

Provides excellent weather protection and allows for a quiet package operation  
With less than 72 DBA sound level at full load, while offering excellent service access  
Panels. (72 DBA at 23 feet)  
Galvanized Sheet Steel Body Panels for improved corrosion resistance  
Coolant and oil drains piped to exterior of enclosure along with auxiliary fuel connections are all conveniently located on one side of the enclosure for easy access

## **Starting System**

Lead acid starting batteries - 24 volt

## Documentation

EPA & CARB Non – Road Emission Certified  
Factory test reports  
Operation and maintenance manual  
Standard warranty  
Shop Prep  
Start up inspection service & training (One trip) (Load bank test included)  
Delivery to jobsite Thousand Oaks, CA)  
DMV registration for trailer (Not included in sale quotation)  
**First CVA service (Included in sale quotation)**  
**Fuel & DEF (Not included in sale quotation)**

## **CLARIFICATION**

- The equipment offered in this proposal is in accordance with your verbal request. No written details, plans, specifications, or drawings have been provided.
- No special equipment provided such as: emissions control devices.
- Permitting costs by others.
- Special consideration should be taken concerning prime, portable application. Please confirm with local air district for further guidance.

**VERY IMPORTANT NOTE:** As a supplier of equipment, Quinn Power Systems (QPS) disclaims responsibility for any and all permits or licenses necessary to design, install and operate the equipment due to zoning, air quality, building or construction codes or use permits pertaining to buyers or buyers' client's, particular application of such equipment or any similar type of permit.

Special attention should be given to the requirements of the local Air Quality Management District (AQMD) rules, regulations and permit process. As an equipment supplier, QPS is proposing equipment to specifications as indicated herein. If additional equipment or engine modifications are required beyond the specifications as required by AQMD and Best Available Control Technology (BACT) guidelines, those items are not included. For example, South Coast AQMD Rule 1470 requires controls and limits on particulate matter, especially when the engine installation is within 100-meters from a school. Unless specifically indicated in this proposal, compliance to this rule is the responsibility of others.

Ultra low sulfur fuel is required for particulate filters plus will be the required fuel starting in 2006.

When indicated in the bill of materials, the proposed equipment may be SCAQMD pre-approved as certified equipment. This certification does not eliminate the permit process or responsibility of others to obtain a permit. Procurement of certified equipment assures permitability, reduces the permit processing fees and reduces the time necessary to obtain the permit.

## Quotation Expires Stock generator set on order from factory : First Come / First Serve

Only those items listed are included. Not included is any exhaust or fuel piping, main fuel tank, fuel, duct work, special tools, insulation, wiring, cable, bus duct, concrete, anchor bolts, rigging or any material or labor incidental to the installation itself.

If delivery is delayed by customer (Buyer) beyond original shipment date, purchase price is due 30 days after original shipment date and a hold charge of 1% per month (12% per annum) of the purchase price is due each month until delivery. Service charge of 1.5% per month (18% per annum) is applicable on any delinquent balance.

When included, delivery, startup assistance, field testing, training or any other services required on site will be provided during the normal weekday working hours of 7:00 am to 4:30 pm. Delivery or services occurring at any other time, weekends or holidays is subject to additional charges.

Terms and conditions of Caterpillar warranty apply. The Manufacturers' warranties are exclusive and in lieu of all other warranties either oral or written, express or implied, including but not limited to any warranty of merchantability or fitness for a particular purpose. QPSA is not a manufacturer and makes no warranty and shall not, under any circumstances, be liable for any indirect or special, incidental or consequential damages including but not limited to loss of production, loss of profit, loss of use or business interruption, or any other economic loss, whether arising from contract, tort, strict liability or any other theory of law.

If construction of the facility or other delays are experienced or expected, which prohibit the initial startup of the equipment beyond one year from delivery, additional costs should be anticipated. Additional costs might include, but not be limited to long term storage preparation, inspection charges, parts, service etc.

Terms of payment are net 30 days, no retentions; subject to credit approval. Per Company procedure, QPSA will file a California "Preliminary 20-day notice" applicable per Section 3097 of the California Civil Code.

Important conditions for export transactions. This transaction is for the sale of equipment only, as requested and as detailed in this proposal. Not included is any startup assistance, field-testing, training or any other services that might be required on site. Also not included is the responsibility of proper application and installation, installation audits, sea trials (if applicable), installation materials and the installation itself. To ensure proper application, installation, and warranty integrity, you are encouraged to contact the receiving Caterpillar Dealer for these services. The costs of these services are not included in the sale price nor will QPSA be responsible for any such related costs.

## TERMS AND CONDITIONS

### **Acceptance of Order.**

This Quotation is for Buyer's information only and is not a valid offer to sell unless signed by an officer of Seller in the place provided on the face of this Quotation. Prices, terms and conditions in an order from Buyer which are inconsistent with the prices, terms and conditions of this Quotation will be rejected by Seller, and are of no force and effect unless accepted in writing by Seller. Prices, delivery schedules and the scope of work on this Quotation are subject to change at Seller's discretion.

### **Liability.**

Seller's liability on any claim of any kind, including claims for negligence, or for any loss or damage arising out of or connected with the manufacture, sale, delivery, resale or use of any products covered by or furnished under any order shall be limited to those claims arising solely from the acts of Seller and Seller shall in no way be liable for any special or consequential damages.

Any claims against Seller for shortages in shipments shall be made in writing to Seller within fifteen (15) days of receipt of shipment by Buyer. Unless otherwise provided for in writing, Seller's responsibility for shipment ceases upon delivery to carrier, and any claims for shortage, delays or damage occurring thereafter shall be made direct to carrier by Buyer.

801 DEL NORTE BLVD.  
OXNARD, CA 93030

# QUOTATION

AWA14476

DATE: 7-27-23

PAGE 7 of 8

**Quotation Expires Stock generator set on order from factory : First Come / First Serve**

Fulfillment of any order accepted by Seller is subject to strikes, labor disputes, lockouts, accidents, fires, delays in manufacture or in transportation, delays in delivery of component materials, floods, severe weather, or Acts of God, embargoes, governmental actions, or any other cause beyond the reasonable control of Seller.

## **Shipments.**

Unless otherwise specified, shipment dates are approximate. Shipment of goods under any order accepted by Seller shall be subject to the approval by Seller of Buyer's financial condition at the time of shipment. Whether or not terms of payment are specified elsewhere, Seller may, at its option, condition shipments under any order accepted by Seller upon receipt of satisfactory security or of cash prior to shipment.

If, at Buyer's request, shipment of goods under any order accepted by Seller is delayed more than thirty (30) days after the shipment date specified in the order, or the date the goods are ready for shipment, whichever is later, Seller may require immediate payment in full and/or assess additional charges for the expenses incident to such delay.

## **Termination.**

In the absence of a written agreement between Buyer and Seller expressing different terms and conditions as to termination, any order accepted by Seller may be terminated prior to completion by Buyer only upon written notice to Seller and payment of Seller's termination charges. If notice of termination is received by Seller after Seller has committed to buy the principal components for any order, termination charges shall include the total profit anticipated by Seller. Additionally, Buyer's instruction to Seller to stop work for thirty (30) days during the time specified for performance in any order may be construed by Seller as the equivalent of written notice of termination from Buyer.

## **Taxes.**

Unless expressly stated, Seller's prices do not include sales, use, excise or similar taxes, which Seller may be required to pay in filling Buyer's order. The amount of any applicable tax shall be paid by Buyer as an additional charge unless specifically included in any order accepted by Seller, or in lieu thereof, the Buyer shall provide Seller with a tax exemption certificate acceptable to the taxing authorities.

## **Patents.**

Seller shall, at its own expense, defend and save Buyer harmless from the expenses and consequences of any suit or procedure brought against Buyer, based on a claim that the use or sale of goods specified in any order accepted by Seller constitutes an infringement of any United States letters of patent in existence on the date of any such order; provided Buyer promptly notifies Seller in writing and gives the necessary authorization, information and assistance for the defense of such a claim.

## **Changes.**

Seller, and Seller's suppliers, may, at any time, without notice to Buyer, make changes (whether in design, materials, the addition of improvements, or otherwise) in any goods specified in any order accepted by Seller without incurring any obligation of any kind as a result thereof, but only to the extent that such change does not cause the goods specified to fail to meet Buyer's requirements. Buyer may, in its order, provide for changes in its requirements with provision for a corresponding equitable change in the price, if any; but in no instance shall Buyer make changes, which are substantially different from the scope of the original order accepted by Seller.

## **Export Sales.**

In the event the goods and services specified in any order accepted by Seller are for export, the Buyer shall be responsible for securing export, import and other licenses or authorizations as may be required

## Bill of Material

### Engine

EPA Tier 4 final certified CAT C13 ACert ATAAC heavy duty diesel engine.  
Electronic ADEM A4 controls

### Generator and Attachments

Permanent magnet generator  
Anti – condensation heater

### Engine Control System

Electronic governor

### Control Panel and Instrumentation

#### EMCP 4.4 Auto-start control panel (Upgraded)

Emergency stop on panel  
Dust proof enclosure (Control Panel)  
Panel mounted voltage adjust potentiometer  
Panel mounted audible alarm with mute  
Contacts for common fault alarm signal  
Panel lights  
Contacts for generator set run signal

### Protection System

Distribution panel  
Switchable via linkboard from 480/277V 3 phase to 240/139V 3 phase (can be adjusted down to 208/120V 3 phase)  
Load door safety switch  
Remote start and stop contacts

### Distribution System

NEMA 1 steel enclosure, spate hinged, lockable door with rust – resistant pinned hinges  
Main bus connections with hinged load cover with Plexiglas window closed for operation  
Main circuit breaker 3 – pole, 240/480V – 1600A with 24 DC shut trip wired to load door safety switch  
Current transformers, hard mounted  
Multiple duplex and twist – lock receptacles with individual circuit breakers  
Two – wire remote start / stop terminals and 120 VAC shore power connection for rapid start

## **Cat CEM (Clean Emissions Module)**

Aftertreatment module consists of Diesel Oxidation Catalyst (DOC), Diesel Particulate Filter (DPF), and selective Catalytic Reduction (SCR)

## **Exhaust System**

Internal exhaust system  
Manifold and turbo guards

## **Fuel / Emissions Strategy**

Meets U.S. EPA Tier 4 Final and CARB Certified for Non – Road Mobile applications at all 50 and 60 Hz ratings

## **DEF System**

12 gal plastic DEF tank provides 24 hour run time @ 75% Prime + 10 rating similar to fuel system  
DEF tank is equipped with integrated pump, level sensor to display the DEF level in EMCP panel, and electrically heated lines from DEF tank to CEM  
Equipment with low and critically low level alarms with a critically low shutdown

## **Fuel System**

Flex fuel lines  
Heavy duty – Air cleaner  
Two stage cyclonic / paper with dust cup and service indicator  
UL 142 certified dual wall fuel tank (520 gallons)  
27 hours run time @ 75% prime +10% rating, internal fuel fill  
Auxiliary connections for customer supplied fuel transfer system with 6 – way fuel transfer valve.

## **Reduce Environmental Impact**

EPA Tier 4 Final technology  
110% spill containment of onboard engine fluids  
Meets 76 dB(A) at 7 m per SAE J1074 measurement procedure at 100% prime loads

## **Mounting and Enclosures**

Seismic vibration isolators, installed between generator set and base rails  
Weather & sound attenuated enclosure (77 dB(A) at 23 feet (full load))

## **Starting System**

Lead acid starting batteries - 24 volt

## Charging System

- 45 Amp Charging Alternator
- Battery Charger (AC to DC)
- Solar powered battery maintainer
- 1400 CCA Caterpillar battery
- Battery disconnect switch

## Cooling System

- Radiator
- Engine heater (Block Heater)
- Initial fill of coolant
- Low coolant temperature alarm
- Low coolant shutdown circuit

## Lube System

- Initial fill of lube oil

## Trailer

- Tandem axle trailer with electric brakes

## Cables, Pig tails and caps

- Cable Type W extension 4/0 AWG Camlock Series 16 Male / Female 50' Brown
- Cable Type W extension 4/0 AWG Camlock Series 16 Male / Female 50' Orange
- Cable Type W extension 4/0 AWG Camlock Series 16 Male / Female 50' Yellow
- Cable Type W extension 4/0 AWG Camlock Series 16 Male / Female 50' Green
- Pig tail 400 Amp 4/0 AWG Type W Series 16 Female / Lug 5' Brown
- Pig tail 400 Amp 4/0 AWG Type W Series 16 Female / Lug 5' Orange
- Pig tail 400 Amp 4/0 AWG Type W Series 16 Female / Lug 5' Yellow
- Pig tail 400 Amp 4/0 AWG Type W Series 16 Female / Lug 5' Green
- Type W Extension 5' 4/0 AWG 4 conductor Camlok Series 16 Male (BRN/ORG/YEL/GRN) Crouse-Hinds
- Arktite AP40458S22 (PWA-404CTW16005MM-5-AP40458S22)

## Documentation

EPA & CARB Non – Road Emission Certified  
Factory test reports  
Operation and maintenance manual  
Standard warranty  
Shop Prep  
Start up inspection service & training (One trip) (Load bank test included)  
Delivery to jobsite Thousand Oaks, CA)  
DMV registration for trailer (Not included in sale quotation)  
First CVA service (Included in sale quotation)  
Fuel & DEF (Not included in sale quotation)

## CLARIFICATION

- The equipment offered in this proposal is in accordance with your verbal request. No written details, plans, specifications, or drawings have been provided.
- No special equipment provided such as: emissions control devices.
- Permitting costs by others.
- Special consideration should be taken concerning prime, portable application. Please confirm with local air district for further guidance.

**VERY IMPORTANT NOTE:** As a supplier of equipment, Quinn Power Systems (QPS) disclaims responsibility for any and all permits or licenses necessary to design, install and operate the equipment due to zoning, air quality, building or construction codes or use permits pertaining to buyers or buyers' client's, particular application of such equipment or any similar type of permit.

Special attention should be given to the requirements of the local Air Quality Management District (AQMD) rules, regulations and permit process. As an equipment supplier, QPS is proposing equipment to specifications as indicated herein. If additional equipment or engine modifications are required beyond the specifications as required by AQMD and Best Available Control Technology (BACT) guidelines, those items are not included. For example, South Coast AQMD Rule 1470 requires controls and limits on particulate matter, especially when the engine installation is within 100-meters from a school. Unless specifically indicated in this proposal, compliance to this rule is the responsibility of others.

Ultra low sulfur fuel is required for particulate filters plus will be the required fuel starting in 2006.

When indicated in the bill of materials, the proposed equipment may be SCAQMD pre-approved as certified equipment. This certification does not eliminate the permit process or responsibility of others to obtain a permit. Procurement of certified equipment assures permitability, reduces the permit processing fees and reduces the time necessary to obtain the permit.

Only those items listed are included. Not included is any exhaust or fuel piping, main fuel tank, fuel, duct work, special tools, insulation, wiring, cable, bus duct, concrete, anchor bolts, rigging or any material or labor incidental to the installation itself.

**Quotation Expires: First Come / First Serve**

If delivery is delayed by customer (Buyer) beyond original shipment date, purchase price is due 30 days after original shipment date and a hold charge of 1% per month (12% per annum) of the purchase price is due each month until delivery. Service charge of 1.5% per month (18% per annum) is applicable on any delinquent balance.

When included, delivery, startup assistance, field testing, training or any other services required on site will be provided during the normal weekday working hours of 7:00 am to 4:30 pm. Delivery or services occurring at any other time, weekends or holidays is subject to additional charges.

Terms and conditions of Caterpillar warranty apply. The Manufacturers' warranties are exclusive and in lieu of all other warranties either oral or written, express or implied, including but not limited to any warranty of merchantability or fitness for a particular purpose. QPSA is not a manufacturer and makes no warranty and shall not, under any circumstances, be liable for any indirect or special, incidental or consequential damages including but not limited to loss of production, loss of profit, loss of use or business interruption, or any other economic loss, whether arising from contract, tort, strict liability or any other theory of law.

If construction of the facility or other delays are experienced or expected, which prohibit the initial startup of the equipment beyond one year from delivery, additional costs should be anticipated. Additional costs might include, but not be limited to long term storage preparation, inspection charges, parts, service etc.

Terms of payment are net 30 days, no retentions; subject to credit approval. Per Company procedure, QPSA will file a California "Preliminary 20-day notice" applicable per Section 3097 of the California Civil Code.

Important conditions for export transactions. This transaction is for the sale of equipment only, as requested and as detailed in this proposal. Not included is any startup assistance, field-testing, training or any other services that might be required on site. Also not included is the responsibility of proper application and installation, installation audits, sea trials (if applicable), installation materials and the installation itself. To ensure proper application, installation, and warranty integrity, you are encouraged to contact the receiving Caterpillar Dealer for these services. The costs of these services are not included in the sale price nor will QPSA be responsible for any such related costs.

## **TERMS AND CONDITIONS**

### **Acceptance of Order.**

This Quotation is for Buyer's information only and is not a valid offer to sell unless signed by an officer of Seller in the place provided on the face of this Quotation. Prices, terms and conditions in an order from Buyer which are inconsistent with the prices, terms and conditions of this Quotation will be rejected by Seller, and are of no force and effect unless accepted in writing by Seller. Prices, delivery schedules and the scope of work on this Quotation are subject to change at Seller's discretion.

### **Liability.**

Seller's liability on any claim of any kind, including claims for negligence, or for any loss or damage arising out of or connected with the manufacture, sale, delivery, resale or use of any products covered by or furnished under any order shall be limited to those claims arising solely from the acts of Seller and Seller shall in no way be liable for any special or consequential damages.

Any claims against Seller for shortages in shipments shall be made in writing to Seller within fifteen (15) days of receipt of shipment by Buyer. Unless otherwise provided for in writing, Seller's responsibility for shipment ceases upon delivery to carrier, and any claims for shortage, delays or damage occurring thereafter shall be made direct to carrier by Buyer.

Fulfillment of any order accepted by Seller is subject to strikes, labor disputes, lockouts, accidents, fires, delays in manufacture or in transportation, delays in delivery of component materials, floods, severe weather, or Acts of God, embargoes, governmental actions, or any other cause beyond the reasonable control of Seller.

## **Shipments.**

Unless otherwise specified, shipment dates are approximate. Shipment of goods under any order accepted by Seller shall be subject to the approval by Seller of Buyer's financial condition at the time of shipment. Whether or not terms of payment are specified elsewhere, Seller may, at its option, condition shipments under any order accepted by Seller upon receipt of satisfactory security or of cash prior to shipment.

If, at Buyer's request, shipment of goods under any order accepted by Seller is delayed more than thirty (30) days after the shipment date specified in the order, or the date the goods are ready for shipment, whichever is later, Seller may require immediate payment in full and/or assess additional charges for the expenses incident to such delay.

## **Termination.**

In the absence of a written agreement between Buyer and Seller expressing different terms and conditions as to termination, any order accepted by Seller may be terminated prior to completion by Buyer only upon written notice to Seller and payment of Seller's termination charges. If notice of termination is received by Seller after Seller has committed to buy the principal components for any order, termination charges shall include the total profit anticipated by Seller. Additionally, Buyer's instruction to Seller to stop work for thirty (30) days during the time specified for performance in any order may be construed by Seller as the equivalent of written notice of termination from Buyer.

## **Taxes.**

Unless expressly stated, Seller's prices do not include sales, use, excise or similar taxes, which Seller may be required to pay in filling Buyer's order. The amount of any applicable tax shall be paid by Buyer as an additional charge unless specifically included in any order accepted by Seller, or in lieu thereof, the Buyer shall provide Seller with a tax exemption certificate acceptable to the taxing authorities.

## **Patents.**

Seller shall, at its own expense, defend and save Buyer harmless from the expenses and consequences of any suit or procedure brought against Buyer, based on a claim that the use or sale of goods specified in any order accepted by Seller constitutes an infringement of any United States letters of patent in existence on the date of any such order; provided Buyer promptly notifies Seller in writing and gives the necessary authorization, information and assistance for the defense of such a claim.

## **Changes.**

Seller, and Seller's suppliers, may, at any time, without notice to Buyer, make changes (whether in design, materials, the addition of improvements, or otherwise) in any goods specified in any order accepted by Seller without incurring any obligation of any kind as a result thereof, but only to the extent that such change does not cause the goods specified to fail to meet Buyer's requirements. Buyer may, in its order, provide for changes in its requirements with provision for a corresponding equitable change in the price, if any; but in no instance shall Buyer make changes, which are substantially different from the scope of the original order accepted by Seller.

## **Export Sales.**

In the event the goods and services specified in any order accepted by Seller are for export, the Buyer shall be responsible for securing export, import and other licenses or authorizations as may be required.

WHEN OPERATED IN CALIFORNIA, ANY OFF-ROAD HEAVY-DUTY DIESEL VEHICLE,ALTERNATIVE-DIESEL VEHICLE, OFF-ROAD DIESEL VEHICLE, OR PORTABLE DIESEL ENGINE MAY BE SUBJECT TO THE CALIFORNIA AIR RESOURCES BOARD'S REGULATION TO REDUCE PARTICULATE MATTER													

When operated in California, any on-road heavy-duty diesel vehicle, alternative-diesel vehicle, off-road diesel vehicle, or portable diesel engine may be subject to the California Air Resources Board's Regulation to Reduce Particulate Matter and Criteria Pollutant Emissions from In-Use Heavy-Duty Diesel Vehicles, In-Use Off-Road Diesel Vehicle Regulation, or Airborne Toxic Control Measure For Diesel Particulate Matter From Portable Engines Rated At 50 Horsepower And Greater. It therefore could be subject to retrofit, exhaust retrofit, or accelerated turnover requirements to reduce emissions of air pollutants. For more information, please visit the California Air Resources Board websites at <https://www.arb.ca.gov/dieseltruck>, <https://www.arb.ca.gov/msprog/ordiesel/ordiesel.htm>, or <https://www.arb.ca.gov/portable/portable.htm>.

It is understood and agreed that title to and right of possession of any rental item(s) above shall remain vested in the seller until any indebtedness and all sums due or to become due from the customer, whether evidenced by note, book account, judgment or otherwise, shall have been fully paid, at which time ownership shall pass to the customer. Client warrants that the invoiced goods or services will be used for business or agricultural purposes and not for personal, family or household purposes.

A FINANCE CHARGE OF 1.5% PER MONTH (18% PER ANNUM) will be charged on the past due balance. The past due balance represents all charges remaining unpaid on the closing date of the month following the invoice date. In the event of default in the payment of any amount due, and if the account is placed in the hands of any agency or attorney for collection or legal action, the purchaser agrees to pay finance charges equal to the cost of collection (as permitted by laws governing these transactions). When necessary, Quinn will invoke its repairman's lien pursuant to Sections 3051 and 3051a of the California Civil Code. Acceptance by the customer of the parts, service or equipment listed above is the customer's agreement to be bound by the credit and collection terms set forth above.
