Work History

Company: Keller Williams

City: Westlake Village

State: California

Job title: Realtor

Summary of duties: (?) I work in an advisory capacity with home sellers and buyers in the Conejo Valley. Preparing contracts. preparing homes for sale, negotiating sales and purchases. and guiding buyers and sellers through the process.

Why are you interested in serving on this board or committee? *

I've been looking for an opportunity to serve my community regarding development and land use. And the Council on Aging looks like it has some opportunities regarding senior living developments and retrofitting existing housing to better serve our senior residents. I'm in my early 60's and it feels like a good fit. I also bring the perspective of a business owner that serves the senior community in Thousand Oaks. I think I know what seniors are looking for in terms of housing and services, as well as recreation.

Briefly describe the experience, interests, skills, or talents you have that you believe will be beneficial to the work of this board or committee. *

A majority of my clients are seniors, so I think I understand their perspective on this topic. I'm an excellent communicator and negotiator. My current job necessitates that I can build consensus among groups with conflicting goals. It's imperative that all voices feel heard in any discussion of this topic. I'm an excellent listener who doesn't like to dominate a conversation. In my business I've realized that I can only learn something when I'm not talking. And I fail if all parties don't feel like they have a seat at the negotiating table...

Please list all relevant extracurricular and/or volunteer experience, including on City boards or committees, the dates of your involvement, and note any leadership roles that you held. *

Board of Directors - Los Robles Master Chorale 2015 thru 2018.

Agent Leadership Council - Keller Williams 2018 thru 2020.

Productivity Coach (Primarily training new Realtors) - Keller Williams 2023 to present.

President of a small HOA - 1996 - 1999. (Long time ago)

Company: American Airlines
City: New York and Los Angeles
State: NY and CA
Job title: Industrial Engineer to Division Controller
Summary of duties: (?) Managed an operational division capital and expense budget

Why are you interested in serving on this board or committee? *

I am a coming-of-age senior, transitioning from the business world to the community and giving back for all I have experienced and enjoyed. I have significant world experiences that could be of value, shared with others in this community. I have recently experienced understanding and adopting Social Security and Medicare - and quite frankly there are aspects of these programs that are confusing and hard. What do seniors who don't have the experience or support structure to understand the complexities, nuances and trade-offs involved? Even the post 70 drivers test is hard. How do seniors adopt and excel in this stage of their life. I am experiencing physical limitations. How do those seniors who don't have capacity to get around, get around? How do they cope with restricted lifestyles?

Briefly describe the experience, interests, skills, or talents you have that you believe will be beneficial to the work of this board or committee. *

I have worked in many cross-functional, diverse interest and complicated organizations. I understand alignment of purpose, setting common goals and getting stuff done. I am a recent example of learning to 'how to grow old' and adopting senior programs, and I understand now - many of these are hard! I would consider aging empathy level to be fairly high. I am interested, and have an energy that can be re-directed from the business world to my community.

Please list all relevant extracurricular and/or volunteer experience, including on City boards or committees, the dates of your involvement, and note any leadership roles that you held. *

Recent coming of age activities:

CPR certification completed - March 2024

CERT - on line class completion (2023). enrolled in hands-on certification classes (start April 24, 2024)

Conejo Senior Volunteer Program Income Tax Preparation (2024-2025 year)

TOPD Citizens Academy - enrolled for classes Aug 2024

Ventura County Autism Society - Aut2Run event volunteer
